Financial Assistance – Frequently Asked Questions

- Q. What is YMCA financial assistance?
A. The Corsicana YMCA believes in providing membership and program services to all who desire to participate. The YMCA's financial assistance program, supported in part by the annual Strong Kids Campaign and United Way, uses all available resources to provide support to those who have financial need and qualify for assistance.
- Q. Who is eligible for YMCA financial assistance?
A. Anyone may apply for financial assistance. Approval of the application is made on an individual basis. The YMCA uses a sliding-scale fee guideline based on household income and number of dependents in the household. The scale assists staff in determining the amount of scholarship awarded.
- Q. Is it possible to join the YMCA for free?
A. The YMCA believes a strong sense of ownership and pride is developed when the financial assistance recipient contributes to the cost of their YMCA involvement. Therefore, applicants will be asked to pay a portion of the fee for the requested service.
- Q. If I receive YMCA financial assistance, what is expected of me?
A. The conditions of the membership will include the length of the scholarship, the expectation that you take full advantage of the assistance by using the membership or service regularly, as well as a commitment to make payments on time. Also, all YMCA rules and policies must be observed as stated in the membership handbook.
- Q. How will the financial assistance amount be determined, and how quickly can I expect to receive financial assistance?
A. Once the financial assistance application and required documents have been submitted to the designated staff member, contact the YMCA within two weeks to review the outcome of your application. The form must be completely filled out and all paperwork must be turned in before your application will be processed.
- Q. How long will the financial assistance continue?
A. Need for financial assistance is assessed at the time of request and reviewed on a yearly basis. You must re-apply each year for financial assistance.
- Q. Who will be reviewing my application?
A. A designated staff member will be the only person who will review your application – all information is confidential.
- Q. May I do anything in return for this assistance?
A. Yes! At the YMCA, youth and adults are encouraged to volunteer. Also, YMCA donors appreciate learning how their contributions are used. Submitting a short note about how you and/or your family benefited from the financial assistance is always appreciated.
