POUND: Full body, cardio-intensive workout that combines drumming using weighted Ripstix.

YOGA: Revitalize your body and mind by using stretching and breathing exercises.

STEP AEROBICS: A fun, high-energy workout stepping up and down on an aerobic step to the rhythm of the music.

SILVER SNEAKERS: Designed towards seniors seeking a more moderate pace. Focuses on safe and effective exercises to improve general fitness.

EXTEND PILATES: A series of controlled movements on a mat, typically using only bodyweight (incorporates dumbbells, ankle weights, and bands).

EXTEND BARRE: Lower body workout using a ballet barre (incorporates dumbbells, ankle weights, and pilates ball.)

ZUMBA: Energetic, dance-based fitness class that combines Latin and international rhythms with easy to follow choreography.

POWERPUMP: Resistance training using barbells, dumbbells, and bodyweight to build muscle, improve muscular endurance, and tone the body.

PARKINSON'S PLUS: Designed for those managing Parkinson's Disease, MS, Traumatic Brain Injury, and stroke

MEDITATION: Designed to help participants relax, focus, and cultivate mindfulness. Includes guided meditations and breathing exercises.

KIDS FITNESS CLASS: High energy, fun introduction to get kids used to exercising.

***SHOTOKAN KARATE-DO:** ADD-ON karate program for ages 7-adult taught by Ben Vinson. SEE FRONT DESK FOR DETAILS.
