PEDAL DE FUEGO: High energy cycling class set to a playlist of Latin, country, and hip-hop music.

TABATA: Whole body workout that aims to improve cardiorespiratory endurance, aerobic and anaerobic capacity, and boost fitness in a short period.

HIIT: Intense workout that alternates between bursts of energy and periods of rest. Improves cardiovascular fitness, burns calories, and builds muscle strength in a short amount of time.

BOXING & BODYFIT: Combines cardio, strength, and functional movements to build strength and improve conditioning.

TREAD N SHRED: High-intensity, interval based fitness that combines treadmill cardio with strength training on the floor.

BOOST: Try the SuperFunctional system to maximize your workout. Designed to build a strong foundation through basic functional movement patterns. Adaptable for all fitness levels.

CYCLE & STRENGTH: High energy, total-body workout that blends intense cycling with strength training exercises, using weights or body weight.

HYROX: High intensity with multiple stations of functional fitness mixed with cycling and running.
